

# SM01

## PRODUCT FEATURES

### Double-rigged steel sheets

Made of Bekaert special plastic steel sheet, which fits better with the glass surface, with super metal memory, stronger rebound and long life

### Rubber strip

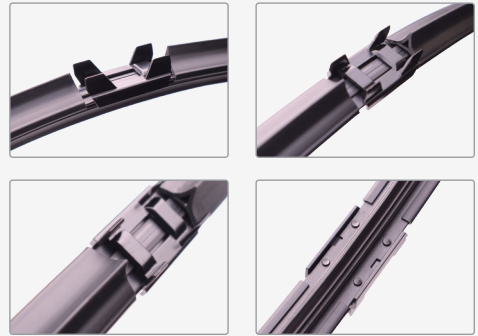

Rubber—Malaysian SMR-cv60 natural rubber + moulding process  
Silicone—imported silicone from Japan + extrusion process

### Deflector plate

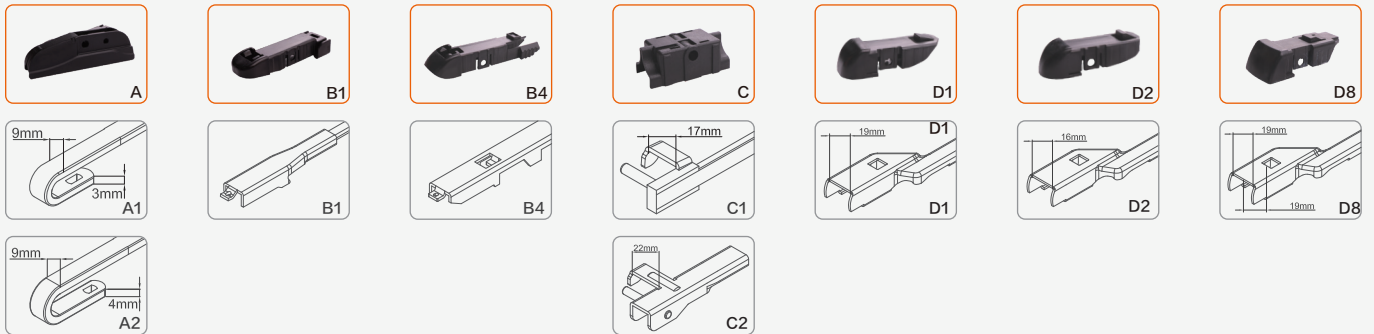

New aerodynamics, wind pressure at high speeds makes the wipers fit the glass better

### Edge protector

Protects the internal steel for longer life

## ADAPTER

# CAR-SPECIFIC SERIES

## SM专车专用系列

### PRODUCT FEATURES

#### Double-rigged steel sheets

Made of Bekaert special plastic steel sheet, which fits better with the glass surface, with super metal memory, stronger rebound and long life

#### Rubber strip

Rubber—Malaysian SMR—cv60 natural rubber  
Silicone—imported silicone from Japan

#### Deflector plate

New aerodynamics, wind pressure at high speeds makes the wipers fit the glass better

#### Edge protector

Protects the internal steel for longer life

The steel sheet is riveted with the base, with strong connection strength and more stable structure

Snap pin connection, the wiper is firmly installed, and the use is safer

Plastic spraying & galvanizing process corrosion resistance, long service life

### LENGTH

### SM04

Renault landscape / MINI Clubman Cooper R55

Customized for French car owners, suitable for Asian and European markets

### SM05

BMW GT340i / Mercedes-Benz AMG A45

Corrosion resistant material high-precision plastic spraying precise German technology

### SM06

BMW 520i / GMC TERRAIN

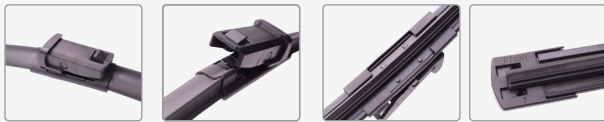

Galvanized & riveted process, higher strength more stable wiper

## SM07

Aston Martin DB11 / Carrera Porsche 911 Carrera ...

Customized for a variety of luxury cars

## SM08

Audi A4L/A5 Cabriolet/A6L quattro/A8L quattro ...

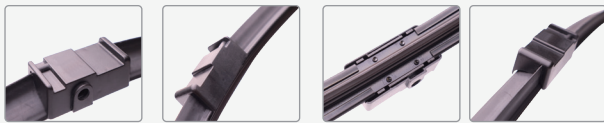

Built for Audi car series

## SM09

FORD FOCUS ...

Special contribution for Ford Focus Series

# SM11
